This men's crew-neck T-shirt is made from 100% organic cotton with a classic cut, short sleeves and a small chest logo patch. It features a clean neckline and subtle shoulder seams for everyday wear. Available in several colours (Black Washed, Navy, White) and sizes S to 5XL, the garment can be personalised from a single piece across a wide range of textiles.

The straight fit and simple finishes make it a practical staple for team uniforms, workwear or promotional ranges. Follow the care instructions on the label to maintain the fabric and applied decorations.

Personalise this personalised T-shirt using screen printing transfers, MSO transfer, DTF printing or flex (heat transfer vinyl). Suitable for companies, sports clubs, associations, schools, youth movements and private customers — our graphic studio can vectorise or retouch your logo before production.
