DESCRIPTION

Mens' crew-neck T-shirt in 100% cotton jersey, designed for everyday wear and layering. It has a classic fit with short sleeves and a traditional neckline that keeps its shape; the natural cotton provides breathability. Available in 1 colour (Black) and sizes S to XXL, it’s a straightforward choice for teams, clubs and promotional use where a simple graphic tee is required.

The straight cut and visible hem finishes at the sleeves and bottom give a clean look, while the classic crew neck maintains structure. Reinforced shoulder seams visible in the photo support frequent wear. Wash as a standard cotton garment (follow the supplied care label) to maintain appearance and fit.

This personalised T-shirt can be personalised from one piece and is well suited to chest prints. Decoration techniques available: screen-print transfers, MSO transfers, DTF printing, flex (heat transfer). Ideal for businesses, sports clubs, associations, events and private customers. Our graphic studio can retouch or vectorise your logo before production. Sur une large gamme de textile.
