DESCRIPTION

This men's crew-neck T-shirt is cut from 100% cotton jersey with a classic fit designed for layering. It features short sleeves and a clean round neckline for everyday comfort. The garment contains non-textile parts of animal origin, which may be relevant depending on your use. Sizes range from S to XXL, making it suitable for teams and workwear.

The finish is straightforward and practical: shoulder seams and straight hems at sleeves and hem provide a neat look. The pure cotton construction is easy to care for and durable enough for repeated wear and printing.

Personalise this personalised T-shirt using methods such as screen transfer, MSO transfer, DTF printing or flex. Ideal for companies, sports clubs, associations, schools and individuals — it can be personalised from one piece and our studio can vectorise or retouch your logo.
