## DESCRIPTION

This childrens' 1/4 zip fleece is designed for toddlers (sizes 0/6M to 24/36M). Made from 100% recycled polyester with a lightweight feel, the microfleece is soft to the touch and provides cosy warmth without bulk. The straight cut, curved collar and quarter zip with a zip guard make dressing easy while protecting the neck. Machine washable for everyday practicality.

Practical details include tone-on-tone stretch binding at the hems and collar, flat seams and a rounded hem with a slightly longer back to improve coverage during movement. The fleece comes in several colours, for example Navy and Soft pink, and works well for outdoor play and nursery or school use.

This personalised fleece can be embroidered from one piece. Suitable for nurseries, clubs, associations and events, embroidery (embroidery) gives a durable, attractive finish on the chest, back or sleeves.
