DESCRIPTION

Designed for babies, this pyjama trouser offers a soft, stretchy fit in 96% cotton / 4% elastane for everyday comfort and sleepwear. The elasticated waistband with a faux drawcord makes dressing easier while the ribbed cuffs at the ankles keep the trousers in place without restricting movement. The fabric is gentle on delicate skin and simple to care for.

The pictured garment shows a relaxed drape with a rolled hem and neat finishing at the waist. The style is straightforward — no pockets or closures — reducing potential irritation for little ones. It is available in several colours, for example Navy/White and Red/White, and comes in sizes from 0/6M to 24/36M.

You can order a personalised pyjama trousers from a single piece: we personalise by embroidery, DTF printing, flex, screen printing and transfers. Suitable for nurseries, schools, clubs, associations, events and personalised gifts; our design studio can vectorise or retouch your logo.
