DESCRIPTION

Children's denim sweatshirt in a bi-material construction, designed for mid-season wear. The denim body provides structure while the hood and sleeves in a softer knit give comfort and ease of movement. Child cut with long sleeves, YKK snap fastenings for quick dressing and two front flap pockets for everyday practicality.

Visible details — topstitching on the denim, press-studs and flap pockets — make it robust for frequent use. The attached hood shields from light breezes and the snap closure simplifies removal. Follow the manufacturer's washing advice to maintain the denim's appearance and the heathered effect of the sleeves.

This personalised sweatshirt can be decorated from one piece using screen printing, DTF printing, flex and embroidery. Well suited to nurseries, schools, sports clubs and small event runs. We offer a free quote within 24 hours on weekdays, in-house artwork/vectorising and collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
