DESCRIPTION

Children's jogging trousers with a slightly tapered cut, made for everyday comfort. Constructed from an eco-friendly blend (60% regenerated cotton, 40% recycled polyester), the fabric is soft to the touch and retains its shape. Available in seven sizes from 0/6M to 24/36M and in several colours, including Heather Grey, Soft pink and Stone blue. The garment can be personalised from one piece and is suited to families, daycares and youth events.

The trousers feature a soft elastic waistband for easy dressing and ribbed cuffs at the ankles to keep the silhouette in place. The knitted rib at the waist provides gentle stretch without restricting movement, and the overall finish is designed for durability. Machine washable and made to withstand frequent use.

Perfect for brand marking, these personalised trousers can be decorated using embroidery, screen printing, flex, transfer and DTF printing. We personalise for companies, clubs, schools, associations and private customers; our graphic studio can retouch or vectorise your logo prior to production.
