DESCRIPTION

Soft plush toy made from acrylic and polyester, available in two sizes (S 20.5 cm and M 30.5 cm) and suitable for children of all ages. The classic teddy shape combines a flexible body with lightly stuffed limbs for easy hugging and handling. The product complies with the European EN71 toy safety standard, making it appropriate for schools, youth groups and corporate gifts for families.

The finish features silky pile and a fluffy feel; the bear wears a tartan ribbon tied at the neck and has contrasting paw pads that add character. Care is simple — air drying is recommended to preserve the texture. Two size options let you choose the best format for giveaways, raffle prizes or keepsakes.

This personalised plush can be customised from one piece using techniques suited to textile items and accessories: embroidery, DTF printing, flex, screen printing and transfer prints, embroidered badges or pad printing for specific parts. Ideal for companies, clubs, associations, events and private customers.
