DESCRIPTION

This 36 cm rabbit plush is designed for babies and suitable for all ages. Made from polyester with a soft, curly pile, it features long ears that are easy for small hands to grab, embroidered paw pads and a decorative ribbon at the neck. It meets the EN71 European safety standard for toys.

The seated shape and proportions give it good stability when placed on a shelf or in a cot. The synthetic fabric is simple to spot-clean — no specific washing instructions are provided beyond the supplier information.

The item can be personalised from a single piece and is appropriate for companies, clubs, associations and private customers. We offer this personalised plush using embroidery, flex, screen printing, transfer, embroidered patches, DTF printing, pad printing (tampography) and digital printing on objects; our graphic studio can retouch or vectorise your logo prior to production.
