DESCRIPTION

This reindeer plush in size M (approx. 30 cm high) is suitable for all ages. Made from polyester with a soft, plush filling, it offers a silky touch, a round red nose and shaped antlers that give the toy personality. It complies with the European EN71 toy safety standard.

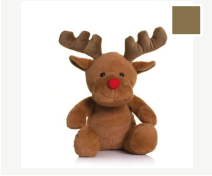

The seated profile and flexible limbs make it easy for small hands to hold; seams appear robust and the finish is neat for everyday use. Polyester makes care straightforward: it dries quickly and regains its shape after light cleaning (follow the manufacturer's washing instructions).

This personalised plush can be ordered and customised from 1 piece for companies, sports clubs, associations, schools or events. Available marking techniques include embroidery, DTF printing, flex, screen printing, transfer (single- or multi-colour), embroidered patches, pad printing and digital printing on objects; our studio can vectorise or retouch your logo if needed. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
