DESCRIPTION

This plush rabbit for men is made from soft polyester and comes with a separate blanket measuring 75 x 90 cm that can be rolled and stored between the rabbit's paws and secured with hook-and-loop fastenings. The toy is 40 cm and suitable for all ages; it meets the European EN71 toy safety standard. The plush's seated shape and cosy pile visible in the photo make it convenient to carry as a comfort item or gift.

Details include long, floppy ears and paws designed to hold the rolled blanket in place — a practical feature for storage and transport. The 100% polyester fabric provides a consistent look and feel across the rabbit and blanket.

The personalised plush can be ordered from a single piece, useful for corporate gifts, clubs, associations and private customers. Personalisation options include embroidery, DTF printing, flex, transfer, screen printing, tampography and embroidered patches to brand the plush or blanket to your specifications.
