DESCRIPTION

Plush soft toy in 100% polyester, suitable for all ages and available in one size. The toy's stuffed shape is comfortable to hold; the white plush belly provides a smooth surface designed for vinyl printing or sublimation. Different animal models have slightly different dimensions, making them versatile as personalised gifts or merchandising items.

Design details include tidy seams, well-proportioned head and limbs, and distinguishing features such as a lion's mane or a giraffe's long neck — all without compromising the printable area on the belly. The construction is made for cuddling and display alike.

This item can be ordered and customised from one piece: we offer customisation by embroidery, DTF printing, flex, screen printing, transfer and pad printing. Ideal for businesses, sports clubs, associations, events and private gifts; our in-house studio can retouch or vectorise your logo.
