DESCRIPTION

This plush teddy is suitable for babies and young children: soft polyester fur with a cushioned, snuggly fill. The bear wears an écru velvet T-shirt in a classic cut and is made from 100% polyester; it meets the European EN71 toy safety standard. Available in 1 colour (brown) and two sizes (M, L), it works well as a gift, promotional item or mascot for youth groups and events.

The photo shows a rounded head, stitched paws with pad details and neat seams that ensure the toy stands up to everyday play. The velvet T-shirt provides a smooth surface ideal for light decoration, and the overall construction appears tidy with no loose parts.

This personalised plush can be customised from one piece and accepts embroidery, DTF printing, flex, screen printing, transfer or embroidered patches depending on the finish required. Suitable for companies, clubs, associations, schools, events and private customers. Our graphic studio can retouch or vectorise your logo; free quotes within 24 hours on weekdays and collection from our Evere workshop or delivery in Belgium, France and Luxembourg. Standard production timelines apply.
