DESCRIPTION

This personalised plush elephant is suitable for all ages and stands 46 cm tall. Made from soft polyester, it features a contrasting cream front panel, inner ears and paw pads, with embroidered eyes and a cuddly, soft finish. It meets the European EN71 toy safety standard, making it appropriate for use with children and family events.

The toy includes a zipped opening to remove the internal stuffing, which makes decorating or laundering the outer cover easier. There is also a zip access to the ears for attaching small decorations without altering the main body. The design is classic, with large flat ears and flexible limbs that make it easy to hold and pose.

Available to personalise from one piece, this plush is suitable for embroidery, flex (vinyl) marking and sublimation depending on the desired look. Recommended for companies, associations, clubs, events and individuals seeking a customised gift or promotional item.
