DESCRIPTION

This zip-up plush in one size is made of soft polyester and is suitable for all ages. It features fabric wings and a contrasting belly panel, a zip opening and removable stuffing to simplify washing and decoration. At 42 cm tall, the toy meets the European toy safety standard EN71 and has a plush, tactile finish that is comfortable for children.

The design shows rounded shapes (head, limbs, wings) and tidy seams that ensure good shape retention and an even surface for marking. The removable inner filling lets you expose the belly panel for flat, precise decoration before replacing the stuffing. Available in 1 colour (White) and one size.

This personalised plush can be marked by embroidery, flex (vinyl), DTF printing or sublimation depending on the desired finish. Suitable for companies, sports clubs, associations, events and private gifts — customisation available from one piece. We provide logo vectorisation and graphic retouching in our studio, free quotes within 24 h on weekdays, and collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
