DESCRIPTION

This zippered Santa plush for babies is made from 100% polyester, offering a soft feel and suitability for all ages. Its rounded shape and one-size design make it easy for small children to hold, and features such as the hat and moustache give it a festive look. It meets the European EN71 toy safety standard and is best cleaned by surface wiping to protect fabric and colour.

The toy includes a zip opening and a removable inner stuffing to simplify washing and decoration. Visible seams and panels (hat, gloves and front panel) are neatly integrated into the rounded silhouette, while the small black feet help it sit upright on shelves or desks.

This personalised plush can be customised from one piece using embroidery, flex, DTF printing, screen printing, transfer prints, embroidered patches, pad printing or digital printing on objects. Suitable for companies, sports clubs, associations, schools, youth movements and private customers looking for a seasonal gift or promotional item.
