DESCRIPTION

This zipped Giraffe plush is a soft polyester toy suitable for all ages and compliant with the European EN71 toy safety standard. Its elongated shape, long limbs and contrasting cream belly make it easy for children to hold; the eyes and mouth are stitched for added safety. A zip beneath the belly allows removal of the inner stuffing, which simplifies washing or inserting a customised element.

Details include contrasting horn and nose tips and a short mane on the head. Seams at the joints appear reinforced and the plush fabric has a velvety hand. Available in several colourways, for example brown.

This personalised plush can be ordered from one piece and is ideal for companies, clubs, schools, associations and private customers. Marking options for this article include embroidery, flex (vinyl transfer) and sublimation; our studio can vectorise your logo and prepare print-ready artwork.
