DESCRIPTION

Soft polyester plush toy designed for children and suitable for all ages, presented in a seated shape with a large head and padded horns. The muzzle and front panel are made in a velour-like fabric, contrasting with the longer pile of the body to provide varied textures. A zipped opening gives access to the inner stuffing, which is removable to make washing and decorating straightforward. Complies with the European EN71 toy safety standard.

The plush features sewn eyes and a stitched mouth to avoid small detachable parts; seams around the limbs and head are reinforced for everyday play. Available in one size, it is easy to handle and to personalise.

This personalised plush can be customised from a single piece using embroidery, DTF printing, flex, screen printing, transfer prints (single colour and multicolour), embroidered badges, pad printing and digital printing on objects. Suitable for companies, sports clubs, associations, events and private customers looking for a soft, safe and brandable promotional item.
