DESCRIPTION

This penguin plush for babies is unisex and one-size, made from soft polyester and suitable for all ages. Its rounded shape and removable stuffing provide comfortable handling and make cleaning easier; the toy meets the European EN71 safety standard. The design features stitched eyes, contrasting beak and feet, and a knitted scarf for a cosy finish.

The zip under the belly allows easy access to the interior to remove or replace the stuffing. Seams and finishing are designed for frequent child use and simplify washing once the filling has been removed, helping to maintain the product over time.

This personalised plush can be ordered from a single piece and is ideal for companies, clubs, associations, events and individuals looking for a branded gift or promotional item. Available marking techniques: embroidery, DTF printing, flex, screen printing, transfer, embroidered patches, pad printing and digital printing on objects. Our graphic studio can retouch or vectorise your logo to prepare it for branding.
