DESCRIPTION

This zipped Lion plush is designed for babies and young children: a soft polyester body contrasts with a fluffy mane and a large, stitched muzzle that gives it character. Its seated proportions make it comfortable for cuddling and play, and the visible seams indicate a robust construction for regular handling. It complies with the European toy safety standard EN71.

A zip under the belly and removable stuffing make cleaning and decoration straightforward: the inner filling can be taken out to wash the cover or to facilitate printing and embellishment. Supplied in one colour (brown) and one size, it keeps a huggable shape while remaining easy to handle.

The plush can be personalised from a single piece and accepts embroidery, vinyl/flex printing or sublimation. Suitable for companies, sports clubs, associations, events and private buyers; our design studio can vectorise or retouch your artwork.
