DESCRIPTION

This zip plush is made from polyester and is suitable for all ages. Its rounded shape and removable stuffing provide a soft feel and make care straightforward: the zip allows the filling to be removed so the cover can be washed separately. The eyes and mouth are stitched for safety, and finishing details include a knitted scarf and a small Christmas hat on one ear.

The toy is available in several colourways, for example White and Red, and comes in one size. Stitching is neat and the shape sits well, practical for display or seasonal packaging. It complies with the European EN71 toy safety standard, making it appropriate for schools, associations and family use.

This plush can be personalised as a personalised plush from a single piece: we offer embroidery, DTF printing, flex, transfer and pad printing depending on the placement. Suitable for companies, sports clubs, associations, events and private customers looking for a seasonal gift or promotional item.
