It features a high collar for wind protection and is offered in several colourways (Black, Burgundy, Crème) across sizes S to XXL. The design suits corporate, club and casual use while remaining easy to care for following the manufacturer’s instructions.

The jacket includes an internal pocket and visible side pockets, plus a utility pocket on the sleeve for small items. Contrasting ribbed trims at the cuffs and hem and the contemporary finish provide a practical, wearable silhouette with useful details for daily use.

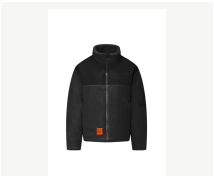

This personalised jacket can be ordered from one piece and decorated by several methods: screen transfer (screen printing transfer), MSO transfer, DTF printing, flex and embroidery. Recommended for companies, sports clubs, associations, schools and private customers. Our studio can retouch or vectorise your logo prior to production.
