DESCRIPTION

Men's suit trousers in a straight cut, suitable for professional and formal wear. They feature an elasticated waistband with zip and button fastening, belt loops and two Italian front pockets for everyday practicality. The back includes two piped pockets and two rear darts to maintain a tailored silhouette; the micro twill fabric (66% polyester - 34% viscose) provides a smooth, structured appearance.

The model is available in several colours, for example Noir Profond and Nuit, and sizes from XXS to 5XL. Visible details — elasticated waist, neat stitching and straight legs — make these trousers well suited to corporate uniforms or events. Care should follow the manufacturer's instructions to preserve the fabric.

These personalised trousers can be branded using screen printing for simple logos applied to the pocket or leg. Minimum order: 5 pieces (colours and sizes combined) — this item is not available per piece. YourVisualHere issues free quotes within 24 hours on weekdays, offers an in-house artwork studio to prepare or vectorise your logo, and provides collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
