DESCRIPTION

The Gabin Women trousers are tailored women's suit trousers with a straight cut, designed for professional and formal use. Made from micro twill (66% polyester, 34% viscose), they provide a structured drape and comfortable wear for daily use. Available in several colours such as Noir Profond and Nuit, sizes range from XXS to 5XL. These personalised trousers are available from a minimum order of 5 pieces (colours and sizes combined).

The design features an elasticated waistband with belt loops, zip and button fastening, two front slanted pockets and two piped back pockets with rear darts for improved fit. The visible straight leg creates an elongating silhouette and the fabric composition makes maintenance straightforward for mixed polyester/viscose garments.

Customisation is offered by screen printing. Suitable for companies, sports clubs, associations, schools, youth movements and events seeking uniform or coordinated dress. We provide a graphic studio to retouch or vectorise your logo, a free quote within 24 hours on weekdays, standard production and express options on stocked items, with collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
