DESCRIPTION

The Marius Men suit jacket is a tailored men's piece with a clean, classic silhouette, constructed in micro twill with a 100% polyester taffeta 210T lining and the stated polyester/viscose blend. It features a notch lapel, two-button closure and a centre-back vent for a smart, structured look. A piped chest pocket and two flap pockets complete the traditional finish; an internal zip allows easy access for internal personalization.

Available in several colourways, including Noir Profond and Nuit, and sizes XXS to 5XL, the jacket combines neat seams and refined finishes that suit professional laundering and pressing. The flap pockets and tailored cut ensure a composed appearance for corporate wear, hospitality or formal events.

This personalised suit is available from a minimum order of 5 pieces. We offer personalisation by screen printing, DTF printing, flex and multicolour transfers. Recommended for companies, sports clubs, associations, schools and events seeking a coordinated, branded suit jacket.
