DESCRIPTION

The Max Men waistcoat for men features a classic, tailored cut with a V-neck and no sleeves. The front is made from a polyester/viscose blend as specified (66% polyester - 34% viscose) while the back and lining are 100% polyester taffeta 210T. It closes with five buttons, has two welt front pockets and an adjustable back strap with a metal buckle to refine the fit. Available in several colours, for example Noir Profond and Nuit, and sizes XXS to 5XL, it works well over a shirt for corporate events or formal occasions.

The product photo highlights clean stitching, a slightly pointed front hem and flat welt pockets that keep the silhouette smart. The taffeta lining provides structure and eases dressing. Follow the manufacturer’s care instructions on the label for maintenance.

This personalised waistcoat can be decorated by embroidery, screen printing, DTF printing, flex or multicolour transfer. Suitable for companies, hotels, restaurants, clubs, associations and events seeking a coordinated look. Minimum order: 5 pieces (colours and sizes combined).
