DESCRIPTION

This women’s waistcoat features a tailored, close-fitting cut with a deep V-neck, designed for professional outfits. The Max Women is made of 66% polyester / 34% viscose with lining and back in 100% polyester taffeta 210T Micro twill 200. It fastens with five buttons, includes two piped front pockets and a rear adjustment strap with a metal buckle. Available in several colours (for example Noir Profond, Nuit) and sizes from XXS to 5XL.

The sleeveless design and precise seams give a clean, structured look and make it easy to wear over a shirt or blouse. Care should follow the manufacturer's instructions to maintain the taffeta lining and the polyester/viscose blend.

As a personalised costume it can be decorated using embroidery, screen printing, DTF printing, flex or multicolour transfers. Suitable for businesses, hotel staff, clubs, associations and events seeking a unified appearance. Minimum order: 5 pieces (colours and sizes combined). Our design studio can edit or vectorise your logo for production.
