DESCRIPTION

The Marcel Women blazer is a tailored ladies' suit jacket designed for professional and event wear. Constructed in piqué knit with a semi-lining in taffeta, it features a notched lapel, two-button fastening, two flap pockets and a piped breast pocket. A rear vent improves mobility while maintaining a clean silhouette across the available sizes (XXS to XL). Care should follow the manufacturer’s instructions; the polyester-cotton blend offers reliable wear performance.

Details focus on practical finishes: discrete seams, structured shoulders and a length suited to wear over a dress or blouse. The blazer is offered in several colourways, for example Night or Heather Grey, and across the six sizes listed. Minimum order quantity: 5 pieces (colours and sizes combined).
