DESCRIPTION

The Arthur Men bodywarmer for men features a sleeveless cut and V-neck, designed as a lightweight, packable mid-layer to wear over a wide range of garments. Horizontal quilted baffles provide feather-like insulation without bulk, while the polyamide outer is water-repellent. Fastens with five snap buttons and includes two front pockets. It folds into an integrated carry bag with stoppers for easy storage and transport.

Details include neat horizontal stitching and clean finishes around the neckline and armholes, making it suitable to wear under a jacket or over a sweater. Available in several colours, for example Noir Profond and Nuit, and sizes S to 4XL.

Customisation is available by embroidery: our workshop offers personalised bodywarmer options with embroidery (graphic studio services for logo vectorisation available). Ideal for companies, sports clubs, associations, events and private clients. Minimum order: 5 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
