## DESCRIPTION

This women's Arthur Women bodywarmer is a lightweight sleeveless jacket with a slim cut, designed for layering. The outer and inner fabric are polyamide, with a polyester feather-effect wadding that provides warmth without bulk. It features a V-neck and fastens with five snap buttons. Available in several colours, including Noir Profond and Nuit, in sizes S to 3XL.

Horizontal quilting gives a neat profile, while two discreet front pockets and an in-bag fold system with stoppers make it practical to store and carry. The simple finish and sleeveless design make it easy to wear over shirts or jumpers.

This garment can be personalised mainly by embroidery (borduren, bordado), ideal for logos or names on the chest or back. Suitable for companies, clubs, associations and individuals looking for personalised bodywarmers. Minimum order: 5 pieces (colours and sizes combined).
