DESCRIPTION

The Antoine Women parka is designed for wet weather with a tailored female cut. Made from polyester with a PU coating and thermosealed seams, it provides reliable waterproof protection. The body is lined with 210T polyester taffeta and the hood with a jersey lining for added comfort. Available in sizes S to 3XL, it features a hood with drawcord and a waterproof central zip for practical daily use.

The parka includes two waterproof zip pockets and a split-tail back finish that improves fit and silhouette. Waterproof zips and sealed seams reduce water ingress while the full-length zip ensures easy on and off. It comes in several colourways, for example Noir Profond, Nuit and Kaki Intense.
