DESCRIPTION

The Gaspard Women is a slim-fit ladies' jean in stretch denim designed for everyday wear. Made from recycled cotton with a zip and button closure, belt loops and a classic 5-pocket layout (two front pockets, a ticket pocket and two patch pockets at the back). The slim cut flatters the figure while the elastane provides comfortable flexibility for office or casual use.

Available in several colourways (for example Noir Profond and Denim Brut) and sizes XXS to XXL, the trousers feature matte metal buttons and rivets and a structured denim appearance. Machine wash according to standard care for stretch denim to maintain shape and fit.

These personalised trousers can be decorated for companies, clubs, associations or private customers using screen printing, DTF printing, flex and multicolour transfer. Minimum order: 5 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and our studio can vectorise or retouch your logo.
