DESCRIPTION

Classic-cut men's tie designed for formal wear, featuring a standard length and a narrow profile. Made from polyester (PET) with a tone-on-tone lining, it delivers a crisp drape and a subtle twill texture that adds a refined surface detail. Available in several colours, including Noir Profond and Nuit, and supplied in size M; please note a minimum order quantity of 25 pieces (colours and sizes combined).

The tie has a traditional pointed tip and an internal interlining to retain shape; the smooth finish eases pressing and routine care. Its compact proportions make it suitable for uniforms and pairing with suits or blazers, while the inner construction helps the knot keep a clean silhouette.

Personalise this item for companies, sports clubs, associations or events using these techniques: personalised tie via DTF printing (DTF printing), flex, multicolour transfer (transfer), embroidery (embroidery) or screen printing (screen printing).
