DESCRIPTION

The Teddy pre-tied bow tie for men features a ready-tied shape with a hook closure, providing comfortable wear and quick fastening. Made from PET polyester, it holds its form well and is easy to care for. The supplier lists dimensions as 51x43x15 cm. The model is offered in several colours, for example Noir Profond and Nuit.

In practice the bow tie shows a defined central knot and an adjustable strap with hook closure to fit different collar sizes. The photo indicates neat finishing and a subtle textured weave that helps the bow retain its shape throughout the event.

Customisable by screen printing, DTF printing, flex and multicolour transfer, this personalised bow tie is suitable for companies, sports clubs, associations, events and private customers. Minimum order: 100 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo; free quote within 24 hours on weekdays.
