Country of origin	China
Carton	50 pieces

DESCRIPTION

Teodor jacquard tie in polyester for men, with a classic cut measuring 150 cm long and 7 cm wide. The jacquard weave gives a textured surface visible in the photo, providing structure and a restrained, professional look; the tone-on-tone polyester lining helps the knot keep its shape. Easy-care synthetic fabric — iron on low heat and follow garment care instructions.

Details include a traditional pointed tip and a keeper loop for the tail, the slim width suits suits and corporate attire. Available in several colourways, such as Noir Profond and Nuit, making it suitable for uniforms and formal wear without overpowering the outfit.

Customisation available via DTF printing, flex, multicolour transfer, embroidery or screen printing. Suitable for companies, sports clubs, associations, events and private customers who need personalised ties. Minimum order: 25 pieces (colours and sizes combined).
