DESCRIPTION

The Germain Men trousers are tailored as smart trousers for men with a straight cut and slightly tapered hem, offering comfort through an elasticated waistband and flat cotton drawcords with matching tips. Made in a micro twill fabric blend (polyester/viscose as provided), they feature a zipper, two Italian front pockets and two welt back pockets for a clean, professional look. Available in several colours such as Noir Profond and Nuit, and sizes from XXS to 5XL.

The product image highlights the elastic waistband with drawcord, a neat front line and a straight silhouette that tapers slightly at the ankle. The micro twill gives a smooth, polished appearance suited to workplace uniforms and formal events, while pocket details remain discreet and practical.

These personalised trousers can be customised using screen printing (screen printing) for logos and simple graphics. Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 5 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
