DESCRIPTION

The Germain Women trousers are ladies' trousers with a straight cut and a slightly tapered leg, offering a smart yet comfortable silhouette. Made from micro-twill (66% polyester, 34% viscose), they feature an elasticated waistband with flat drawcords and tone-on-tone aglets for easy adjustment. The design includes two Italian front pockets and two piped back pockets, giving a clean, tailored finish. Available in several colours (for example Noir Profond, Nuit) and sizes XXS to XXL.

In wear, the elasticated waist provides freedom of movement while the straight cut retains a structured look; the slightly tapered hem adds a contemporary touch. Follow the manufacturer's care guidance to preserve fit and appearance.

These trousers can be personalised by screen printing for companies, sports clubs, associations, events or private customers. Minimum order: 5 pieces (colours and sizes combined).
