DESCRIPTION

The Andrea unisex windbreaker in RPET offers waterproof and breathable performance thanks to its membrane (5000 mm waterproof, 5000 g/m²/24h breathability). It has a straight cut with a front nylon zip, a hood with elastic drawcord and elasticated cuffs and hem to reduce wind ingress. Available in several colours — for example Noir Profond, Nuit and Kaki Intense — and sizes XS to 3XL, suitable for teams and event delegates.

Sealed seams improve weather protection; the side pockets are zippered to secure small items. Reflective details enhance visibility. Lightweight and easy to care for, this windbreaker is practical for outdoor events and everyday commuting. Pack dimensions: 60x41x17 cm.

The windbreaker is available from a minimum order of 10 pieces (colours and sizes combined) and can be personalised. We offer screen printing, DTF printing, flex and multicolour transfer — ideal for companies, sports clubs, associations, schools, youth movements and private customers. Free quote within 24 hours on weekdays; standard production and express options, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
