DESCRIPTION

The Achille Women softshell coat is a long women's softshell designed for functional protection and comfortable wear. Made from RPET in a three-layer construction with a fleece inner lining, it combines weather resistance and breathability with a longer cut for outdoor use. The main opening features a two-way waterproof zip for versatility, and the fit is engineered to allow movement while retaining warmth. Available in several colour options and sizes S to 3XL.

Practical details include a zip-off hood with drawcord and a small visor, two side zipped pockets and a zipped chest pocket, all with waterproof zips. Adjustable cuffs with press-stud tabs and a cinchable waist ensure a tailored fit. The longer coat length and discreet technical seams improve rain protection and wearability.
