DESCRIPTION

The Alfi Women parka is a women's coat with a comfortable, covering fit, built to face cold weather thanks to thick recycled polyester padding. A two-layer taffeta outer and quilted lining provide warmth and protection, while the padded hood with drawcords and a magnet-secured storm flap enhance thermal comfort. It is offered in several colours (including Noir Profond, Nuit) and sizes S to 3XL.

Practical details include a double-slider main zip with concealed flap, water-repellent zipped side pockets, elasticated inner cuffs and welded seams at the hood, shoulders and sleeves. Inside there is a soft quilted lining, a flap pocket with magnetic closure and a vertical chest pocket with an invisible zip. A rear interior zip at the hem and an inner neck facing are provided to facilitate branding.

The parka can be personalised for companies, sports clubs, associations, schools and individuals (minimum order: 5 pieces, colours and sizes combined). Personalise your personalised parka using DTF printing, flex, multicolour transfer or embroidery. Our graphic studio can retouch or vectorise your logo before production.
