DESCRIPTION

This men's Stuart Men pullover features a crew neck and a modern cut, made from a blend of 50% RWS merino wool and 50% GRS-certified recycled polyester. Comfortable and neat in appearance, it provides natural warmth from the merino while remaining suitable for everyday professional or casual wear. Available in several colours, including Noir Profond and Nuit, and in sizes S to 4XL.

Practical details include a ribbed 1x1 neckline, cuffs and hem, plus shaped sleeve joins for improved fit. The knit has a consistent texture across the garment and the cut allows the pullover to be worn alone or layered over a shirt. Care instructions from the manufacturer should be followed to preserve both the merino wool and recycled polyester components.

This personalised pullover can be ordered from 10 pieces (colours and sizes combined). We offer embroidery and screen printing to mark this model, according to the finish you need. Suitable for companies, sports clubs, associations, schools and events — free quote within 24 hours on weekdays and a graphic studio is available to vectorise or retouch your logo.
