DESCRIPTION

Unisex Emile apron in recycled cotton, designed for professional use: bibless, extra-long cut providing protection down the calves. The straight, understated silhouette offers comfort and ease of movement; the fabric shown appears to be a dense, matte canvas that withstands regular washing. Dimensions: 57x47x23 cm, available in size M.

The apron fastens with a wide 88 cm waist tie that allows a secure, adjustable fit. Clean finishing with no visible front pockets for a neat appearance suitable for catering and reception roles. Available in several colours such as Noir Profond, Nuit and Blanc Optique.

Customisation available by embroidery, screen printing, DTF printing, flex or multicolour transfer; suited to companies, restaurants, clubs, associations, schools and private events.
