DESCRIPTION

The Edmond trousers are a unisex work pant designed for professional use in kitchens: a straight cut with a slightly tapered leg for a modern look and an elasticated waistband with a flat drawcord for comfortable wear. Constructed in PET-cotton (polycotton) blending recycled polyester and cotton, the fabric gives a practical, structured feel. Available in several colours (for example Noir Profond and Nuit) and sizes XS to 4XL, they suit restaurant teams, hospitality schools and associations.

The model features slanted front pockets with polycotton lining and a patch back pocket with reinforced stitching, practical for everyday needs. The photographed fit confirms a clean, functional silhouette with no unnecessary details.

You can order personalised trousers via screen printing, DTF printing, flex or multicolour transfer. Minimum order: 5 pieces (colours and sizes combined).
