DESCRIPTION

Men's chef jacket in polycotton (65% recycled polyester, 35% cotton), the Eugene jacket features a straight cut and a clean fall designed for professional kitchens. Long sleeves with wide cuffs and a slit, a back with cut panels for freedom of movement, and breathable inserts at the armholes to help reduce heat build-up. Front fastening with press-studs on the right and a double-compartment patch pocket on the left sleeve for pens or small tools. Available in several colourways, including Deep Black and Optical White, and in sizes XS to 5XL.

Built for regular professional use, the jacket has neat seam finishes and a practical press-stud closure for easy on/off. The breathable inserts improve comfort during long services; follow the manufacturer's care instructions for washing.

This personalised jacket suits restaurants, catering schools, companies, clubs and events. Customisation techniques available: screen printing, embroidery, DTF printing, flex and multicolour transfer. Minimum order: 5 pieces (colours and sizes combined). Free quote and in-house graphic studio available to retouch or vectorise your logo.
