Carton	10 pieces

DESCRIPTION

The Anton technical jacket is a unisex windbreaker designed for professional and group use. Its outer shell is made from recycled polyester (RPET) with a membrane providing water resistance and breathability; the lining is RPET mesh for light comfort. It features a straight cut, a classic collar and a nylon front zip, available in sizes XS to 4XL. Offered in several colourways, for example Noir Profond and Nuit. This item cannot be ordered per piece: minimum order 5 pieces (colours and sizes combined).

The jacket includes zipped side pockets and a zipped chest pocket, plus an interior pocket with Velcro closure for documents. An internal zip is provided to aid customisation. Visible details — a horizontal seam across the chest and a slightly rounded hem — give it practical shape and durability; care as per manufacturer guidelines.

Customise this personalised windbreaker using screen printing, DTF printing, flex or multicolour transfer. Suitable for companies, sports clubs, associations, schools and events. Our graphic studio can vectorise or retouch your logo. Minimum order: 5 pieces. Quotes and production follow our standard conditions.
