DESCRIPTION

Men’s long-sleeve base layer with a slim cut and crew neck, designed to keep you comfortable year-round. Made from nylon, it sits close to the body to help manage moisture and stay crease-resistant for easy care. Offered in multiple colours (including Black, White) and sizes S to 3XL, it works well for sports, as a technical undershirt or everyday wear beneath outer layers.

The garment features discreet seams and a smooth finish that allow freedom of movement and a clean look under clothing. A natural peppermint-derived deodorising finish reduces unpleasant odours without leaving a mint scent. Practical to launder for regular use.

This personalised T-shirt can be ordered from 1 piece on a wide range of textile items and customised using DTF printing, screen printing transfers, transfer MSO or flex. Suitable for companies, sports clubs, associations, events and private customers; our design studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays.
