Carton	24 pieces

DESCRIPTION

Women’s tunic with a modern cut, featuring a V-neck and short sleeves in a breathable, stretch fabric for sustained comfort. The blend of polyester, recycled polyester, viscose and elastane provides a flexible fit with side vents and two large side pockets, designed for professional day-to-day use. Available in sizes XS to 3XL and several colour options, it suits care teams, reception staff and wellness professionals.

Practical details enhance usability: a slightly structured straight cut, easy-to-wear short sleeves and pockets placed for natural access to essentials. The stretch fabric supports freedom of movement while the side vents increase comfort without altering the silhouette. The material composition keeps maintenance straightforward for frequent wear.

This personalised tunic can be customised by screen transfer, MSO transfer, DTF printing, flex or embroidery to match your branding. Ideal for companies, clubs, associations, schools, youth movements and private customers; it can be ordered from one piece on a wide range of textile. Our graphic studio can retouch or vectorise your logo prior to production.
