## DESCRIPTION

Unisex bucket hat in terry-style fabric made from organic cotton, comfortable to wear and simple to care for. The classic bucket shape with a soft brim and stitched turn-up gives a relaxed fit and natural drape. Available in several colours including Almond Green, Navy Blue and Petal Rose, it comes in two sizes (S/M and L/XL) to suit the listed head circumferences. Care advice: wash at 30°C with a mild detergent, especially for the delicate Ivory shade.

The terry texture gives a soft, textured look while the no-label finish makes the hat fully customisable. Stitching on the brim provides a neat, durable finish. A versatile piece suitable for everyday wear, outdoor events and promotional campaigns.

This personalised bucket hat can be customised from one piece using transfer screen printing, MSO transfer, DTF printing, flex and embroidery. Recommended for businesses, sports clubs, associations, events and private customers; our in-house design studio can retouch or vectorise your logo.
