DESCRIPTION

Unisex bucket hat made from organic cotton, offering a comfortable fit and a washed, vintage-like appearance due to post-assembly dyeing. The hat features visible topstitching and a reinforced brim with multiple stitch rows. It comes in several colours — for example Washed Brook Green, Washed Petal Rose or Washed Parma — and two sizes: S/M and L/XL. Note that colours may vary slightly between items and the fabric can transfer dye to light surfaces or clothing.

Finishings are neat, with exposed seams and a structured brim that maintain shape and comfort. The interior has no label for a clean personalised result. Care follows the manufacturer’s guidance: post-dyeing creates subtle variations across batches.

Order a personalised bucket hat from one piece: available decoration techniques include embroidery, screen printing transfer, MSO transfer, DTF printing and flex. Suitable for companies, sports clubs, associations, schools, events and private projects — our studio can retouch or vectorise your logo for production.
