DESCRIPTION

This unisex 6-panel cap is made from twill organic cotton (280 g/m²) with an adjustable one-size fit for comfortable wear. It features a deliberately washed, worn look achieved by garment dyeing after assembly, so each item can vary slightly and may transfer colour on contact. The curved peak, visible stitching and distressed details create a relaxed appearance while keeping maintenance straightforward thanks to the cotton construction.

The cap is well suited as a personalised 6-panel cap: embroidery, screen printing transfer, MSO transfer, DTF printing and flex are available. Suitable for companies, sports clubs, associations, events and individuals; personalisation from one piece. Free quote in 24 h on weekdays, graphic studio on hand, standard production 10 working days, collection in Evere or delivery to Belgium, France and Luxembourg.
